

# Discussing Money Matters

It is often quoted, “The more your money works for you, the less you have to work for money.”

Avalon Consulting was pleased to host **Mr. Vinay Ahuja (Executive Director, IIFL Wealth Management business)** as the guest speaker for our first Townhall in 2022.

As Senior Managing Partner at IIFL Investment Managers, his primary responsibility is to lead the team that manages the wealth for UHNI clients and execute sales strategies for the domestic and international market.

Mr. Ahuja gave an engaging talk on the **Indian Economy** along with a **forward-looking view on various sectors** in the economy represented in the stock indices. The interaction entailed a comparative overview of the historical and expected returns of the Indian stock market with a few global benchmarks along with **insights on the current valuations**. He also briefly discussed **personal investment strategies** that a rational investor should follow.
